Sir:

Re: Amendment After Final and Prior to Appeal

In a telephone interview with Examiner Verbitsky on June 7, 2005, Examiner Verbitsky indicated that if Applicant would amend Claim 10 to clearly state that the temperature sensing means is "located within the tube," the Moscal reference would no longer apply and would be withdrawn. Accordingly, Applicant hereby submits such an amendment under the authority of 37 CFR 1.116 (b).

Respectfully submitted,

Neal O. Willmann
